This is a recommendation for City Council approval of a **City-County Cooperative Agreement** for the reconstruction of County State Aid Highway 25 (16th St SW) from US Trunk Highway 52 to US Trunk Highway 63.

Reconstruction of CSAH 25 is a County project (S.A.P. 55-625-19). This \$1.5 million project is scheduled for a bid opening on February 18, 2003.

The City-County Agreement has the City agreeing to pay for costs associated with the replacement of watermain, new and defective sidewalk panels, and a portion of the storm sewer costs. Funding for the City share would be from Water Utility funds, sidewalk funds, and sewer funds. Final determination of items and cost share will be made by the City Administrator.
